POLICY STATEMENT

To create a safe environment for all students, faculty, and staff through the implementation of rules and regulations on weapons.

PURPOSE

To be committed to providing a safe environment in all its facilities. In support of this commitment, UIU regulates the possession and use of weapons on all University facilities and grounds and, for the purpose of safety, prohibits the possession of weapons in owned, leased, or occupied buildings, in areas where outdoor classroom activities are held, and in locations where University sanctioned events are held unless specifically approved as part of an educational event or student activity.

DEFINITIONS

Weapon: Any instrument or device designed primarily for use in inflicting death or injury upon a human being or animal, and which is capable of inflicting death upon a human being when used in the manner for which it was designed. Weapons may include but are not limited to any offensive weapon, firearms of any kind such as pistols, revolvers, or other guns, BB or pellet guns, bows and arrows, crossbows, knives such as daggers, razors, stilettos, switchblade knives or knives with a blade exceeding three inches in length, tasers, stun guns, or other portable devices directing an electric current that is designed to immobilize a person, explosives or incendiaries such as bombs, grenades, or fireworks, poison gas, or simulations of any such items (devices that appear to be real such as a realistic toy, replica, paint-ball gun, etc.). A weapon may also include an object of any sort whatsoever that is used in such a manner as to indicate that the person using the object intends to kill or seriously injure another person, or that is threatened to be used in such a manner, and which, when so used, is capable of killing a human being. A weapon may also include any part or combination of parts either designed or intended to be used to convert any item into a weapon or to assemble into a weapon.

POLICY IMPLEMENTATION

UIU prohibits all persons* from carrying firearms or other weapons, concealed or not concealed, with or without a concealed weapon permit, while on properties owned or controlled by the University, without the advance, express written permission of the Assistant Dean of Students or designee. In Wisconsin only, firearms or other weapons may be brought onto UIU properties so long as the firearms or other weapons are encased in a vehicle, and out of plain sight with the unoccupied vehicle fully secured (e.g. windows up, vehicle locked, etc.). In all other Center locations, firearms or other weapons are absolutely prohibited except as described in this policy. When UIU is present at a host institution (technical colleges, military installations, etc.), UIU will fully support and abide by the weapons policies in place at host institutions provided those institutions provide a level of safety at least equal to that contained in UIU's policy.

* Certified law enforcement officers and others required to carry an issued weapon as part of their duties are exempt from this prohibition.
