Dear President Duffy,

Congratulations! As a result of the comprehensive evaluation of your institution's Athletic Training Program, including a self-study and on-site visit, the Commission on Accreditation of Athletic Training Education (CAATE) has voted to award 10 years of **Continuing Accreditation** to the Athletic Training Program at Upper Iowa University. The program has met all of the nationally-recognized *Standards for Accreditation of Professional Athletic Training Programs* that were in place at the time of the Self-Study.

As a result of this award, your Athletic Training Program's next comprehensive review, including a self-study and Site Visit, is scheduled to occur during the 2023-2024 academic year. The institution is reminded however, that continued compliance with the most recent *Standards* is expected. The program is encouraged to review the 2012 *Standards* regularly to ensure continuing compliance.

The Commission on Accreditation of Athletic Training Education commends the faculty, staff, and administrators at Upper Iowa University for your commitment to the advancement of quality education in Athletic Training, as well as your dedication to the preparation of highly qualified Athletic Training professionals.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Laursen', is written over a large, faint watermark of the CAATE seal.
