**Notes**

1. Pursuant to Title 38 USC Section 3696 (d) (1) The Secretary shall not approve under this chapter any course offered by educational institution if the education institution provides any commission, bonus or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any persons or entities engaged in any student recruiting or admission activities or in making decisions regarding the award of student financial assistance.

2. Practical Training Courses must be listed in the catalog and be part of an approved program. Courses not in the catalog must be specifically approved and listed separately.

3. Please be advised you may only certify veterans in the approved programs as listed on this approval. If there are other degree programs you would like to have reviewed for approval, please notify our office.

The school must maintain adequate attendance records for veterans and eligible persons enrolled in resident courses not leading to a standard college degree (38 CFR 21.4253(d)(5)). Attendance standard must be at least 75%.

This approval is extended on the basis of your present standards, facilities, equipment and courses. Continued recognition is contingent upon the maintenance of these standards and facilities under the present management as evidenced by later reports and visitations.

The authority for approval and conditions of approval are indicated in the application, the catalog or bulletin published and submitted by the institution, and rules of the State Approving Agency and the Department of Veterans' Affairs. The authority for such action is 3675 of Title 38 USC and 21.4253 of the Code of Federal Regulations.
