Fayette Campus Residential Course Exception

Fayette Campus students are required to enroll in a minimum of one Fayette Residential Campus (05) face-to-face course each semester. Fayette Campus students can qualify for merit and athletic scholarships that apply to the Fayette Tuition Charges, and they can apply for Residential Housing and Meal Plans. If a Fayette Residential Course (05) is not available for a student to take towards their degree program in the semester, an exception will need to be requested through the student's Enrollment Coordinator/Faculty Advisor/Teacher Education Coordinator.
