Master of Business Administration

HUMAN RESOURCE MANAGEMENT EMPHASIS

The Human Resource Management Emphasis explores theories and methods to develop training and manage the personnel resources for an organization. The emphasis has been reviewed and aligns with SHRM curriculum guidelines.

Curriculum:

| | |
|--------|---|
| BA 524 | Managing in the International Environment |
| BA 540 | Labor/Management Relations |
| BA 544 | Organizational and Management Theories |
| BA 546 | Compensation and Benefits |
| BA 548 | Development and Management of HRM |

HR Specialists were ranked at #16 by the U.S. News and World Report in Best Business Jobs. Having an MBA in HRM as well as other professional certifications will set you ahead of your competition.*
