

EDUCATION BUILT FOR LIFE

Master of Business Administration

ORGANIZATIONAL DEVELOPMENT EMPHASIS

The Organizational Development Emphasis provides the skills and understanding of organizational structure, corporate culture and the ability to analyze, diagnose and develop recommendations supporting long-term change. The emphasis provides a perspective on process redevelopment and training for continual change.

Curriculum:

BA 520	Training and Development
BA 553	Organizational Development
BA 555	Organizational Culture
BA 560	Organizational Diagnosis and Intervention
BA 570	Team Building Techniques

Careers for professionals with an MBA in Organizational Development can vary greatly. Positions can range from Personnel Development Consultants to Leadership and Organizational Development Specialists. An Organizational Development Emphasis can increase opportunities for executive level management positions as well. *
