To be eligible for admission in the UIU MBA program, applicants must have not less than a 2.5 Grade Point Average (GPA) on a 4 point scale for all undergraduate work completed, or a 2.7 GPA for the last 60 semester credits of work completed. Students with a GPA less than the requirement may submit GRE or GMAT test results. GRE and GMAT scores are evaluated in the context of the student's total record. UIU accepts CLEP testing and ACE recommended equivalencies as satisfaction of foundational course requirements.

UIU requires applicants planning to choose the MBA Accounting emphasis to have an undergraduate major in accounting, or 30 semester credits of undergraduate accounting coursework. CSM does not offer an undergraduate accounting major and offers an accounting minor of 6 courses (18 semester credits). Additional accounting courses available at CSM, excluding ACC 388 Experimental Courses and ACC 391 Independent Study, allow for CSM students to take a total of 27 semester credits of accounting coursework.

CSM students who plan to choose the MBA accounting emphasis may enroll in the following online courses subject to approval of each student's enrollment by CSM in accordance with CSM's published policy on "Courses at Other Institutions."
