	Two NURsing electives	4	Major	---
	<i>additional electives</i>	7 (10)*		
		<b>42</b>		

\* If MAT156 were completed at Hawkeye, another elective course would be needed at UIU.

Prior to admission to UIU's nursing program, students must show evidence of the following:

1. Licensure as a Registered Nurse in state of attendance or a compact state if applicable.
2. GPA of 2.5 or higher.
3. Evidence of current CPR certification.
4. Evidence of meeting current health and immunization requirements.
5. Completed Criminal Background Check.

The UIU nursing program requires the successful completion of 12 courses (35 credit hours). The BSN degree requires the successful completion of a total of 120 semester hours, including transfer credit, and credit for coursework completed at UIU. All courses required for the nursing major must be completed with a grade of C- or above. If a grade below a C- is received, the course must be repeated. A course may only be repeated once.

Admission to the Hawkeye Community College RN program requires successful completion of a regionally-accredited Practical Nursing program with a cumulative GPA of 2.7 or higher. This program transfer guide was developed using the curriculum in Hawkeye's Practical Nursing (LPN) and Associate Degree Nursing (AND) programs.

Every effort has been made to ensure the accuracy and completeness of this program articulation.

The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
