Notes:

As of 21 June 2006,

Every effort was made to insure the accuracy and completeness of the above program-to-program articulation at the time it was developed. Upper Iowa University reserves the right to make any corrections, additions or deletions as necessary. Students should use the above articulation as a guide and address any questions to a UIU transfer advisor. The UIU Registrar will approve all transfer credit after reviewing the student's official IWCC transcript.

A minimum of 120 semester credits is required for the BS Degree. Of those credits, a minimum of 36 credits must be upper division credits. Of these, at least 18 must be in the major.

Up to 78 lower division and an additional 12 upper division semester credits from accredited institutions may be applied toward the minimum 120 semester credits required for the BS degree at Upper Iowa University.

A minimum of 30 semester credits total and six credits in the major must be completed at Upper Iowa University.

U P P E R I O W A U N I V E R S I T Y
