(A) One of these will have been taken at KCC; the other will need to be completed at UIU.

(B) Total assumes that UIU recommendations are completed at Kirkwood Community College.

A minimum of 120 semester credits is required for a Bachelor of Science Degree; with 71 credits transferred from KCC and 57 completed at UIU that requirement is met.

In addition to those listed above for the major, another 6 credits of upper division courses are needed to meet the minimum graduation requirement. These could be completed with courses in the remaining general education areas.

Every effort has been made to ensure the accuracy and completeness of this program articulation.

The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
