* These requirements could be completed at LCCC in addition to the courses required for that program; this could potentially increase the upper division courses required at UIU.

** Lower division transfer work does not contribute to the upper division credit requirement at UIU. Additional upper division credits will be needed for each UIU upper-division program courses transferred in from LCCC.

Total UIU credits based on assumption that student takes recommended courses at Lehigh Carbon (those not greyed-out in the LCCC general education tables).

Every effort has been made to ensure the accuracy and completeness of this program articulation.
