* Madison College allows college transfer alternates for these. Transferability of alternates may be different than indicated above; please check full course-to-course transfer guide for transfer of alternates taken.

** Credits for courses which transfer as equivalent to upper-division UIU courses do not count towards the upper-level credit minimum at UIU.

*A ~ UIU strongly recommends taking 10-801-201 English I instead of 10-801-195 as well as 20-801-202 English 2 instead of 10-801-197; the substitutes will fulfill UIU's General Education Written Communication requirements.

B ~ If allowed, UIU strongly recommends taking 20-804-240 Basic Statistics instead of 10-102-104; this substitute would fulfill UIU's General Education Mathematics requirement.

Notes

In addition to those to be taken for the major, another **21** credits of upper division courses are needed. Some of those could be accomplished with courses in the **shaded** areas above.

* This figure could be lower depending on alternatives/elective taken at Madison College.

A ~~ UIU recommendations for Madison College electives:

- for GE-Math & Bsns Core 20-804-240 Basic Statistics
- for GE-Computer Skills: 20-804-208 Computer Science
- for Business Core: 20-809-211 Macro Economics

A baccalaureate degree requires the successful completion of a total of 120 semester hours, including transfer credit, and credit for coursework completed at UIU. Of those, a minimum of 30 credits must be upper-division.

A minimum of 30 credits must be completed at UIU.

Every effort has been made to ensure the accuracy and completeness of this program articulation.
