Courses with credits or ID in parentheses () are courses which could be completed at Madison College in addition to the courses listed for the program; this would decrease the number of courses to be taken at UIU.

A baccalaureate degree requires the successful completion of a total of 120 semester hours, including transfer credit, and credit for coursework completed at UIU. Of those, a minimum of 30 credits must be upper-division (credits which transfer from Madison College as equivalent to an upper-level UIU course, do not count towards that minimum).

A minimum of 30 credits must be completed at UIU.

Every effort has been made to ensure the accuracy and completeness of this program articulation.
