>> In addition to those to be taken for the major above, another 12-15 credits of upper division courses are << >> needed. Some of these could be completed with one of the courses in the shaded general education areas above. <<

* Courses/credits in parentheses () have UIU recommendations on page 1; any of these that are completed at MATC would lower the given subtotal of credits.

A minimum of 120 semester credits is required for a Bachelor of Science Degree; with 64 credits transferred from the MATC program, a minimum of 56 credits is required at UIU.

A minimum of 30 credits must be upper division credits for a UIU baccalaureate degree; lower division transfer work from MATC does not contribute to the upper division credit requirement at UIU.

Every effort has been made to ensure the accuracy and completeness of this program articulation. The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
