

The core courses build a foundation of basic business principles, while depth is built in one or two academic areas of interest. In my experience, this system gives our students the edge in the business world. It's the value-added benefit of the UIU degree."

Richard Patrick, Ph.D.
Professor of Management

UPPER IOWA UNIVERSITY

UPPER IOWA UNIVERSITY

Flexibility

Take your courses when you need them, where you need them. All of our core classes are available at select locations and all courses are offered online, giving our students the opportunity to work with their advisor to build their degree plan to fit their individual needs.

I started my MBA while living in Belfast, Northern Ireland. With my passion for travel and a flexible asynchronous class schedule, Upper Iowa University has made this journey possible with astute faculty and support."

Fiona Macken
UIU Alum

Our Program

Our 36 credit hour program prepares you for your future, instilling in you the qualities needed to move forward on your chosen career path. The MBA program consists of the following three concentration areas:

The CORE

18 credit hours of decision making, business research models and the entrepreneurial corporate spirit.

Your Emphasis Area

Five areas to choose from and each require 15 credit hours.

- Accounting
- Corporate Financial Management
- General Management
- Human Resource Management
- Organizational Development

Research Seminar – Your Capstone Experience.

Three credit hours combining what you are passionate about and the knowledge from the program you have gained.
