

UPPER IOWA UNIVERSITY

EDUCATION BUILT FOR LIFE

QUALITY EDUCATION AND UNIQUE COURSE SCHEDULE

Founded in 1857, Upper Iowa University (UIU) provides student-centered undergraduate and graduate educational programs. Our average class size is 14 students, and we have a unique course schedule: each school year consists of four 8-week sessions, allowing most students to enroll in two to three classes per session. Concentrating on fewer courses at a time allows for better learning outcomes.

SIMPLE SINGLE STANDARD ON SCHOLARSHIP QUALIFICATION

UIU offers generous scholarships ranging from \$5,000 to \$14,000 to both freshmen and transfer undergraduate students based on their GPA alone (2.0 and higher). Scholarships are guaranteed for four years without any renewable requirements. A one time \$500 Referral Scholarship is offered to students who refer their friends to study at UIU.

VARIOUS UNDERGRADUATE DEGREE OPTIONS

UIU offers more than 40 undergraduate majors. Among the many popular programs are Business Administration, Biology, Information Technology, Athletic Training, Conservation Management, among others. We are a STEM Jobs Approved College. More than 1,600 U.S. universities participated in the STEM Approved Colleges application process and UIU was one of only six Iowa schools selected to the inaugural list in 2015.

UNIVERSITY-RUN UNIQUE INTENSIVE ENGLISH PROGRAM

UIU has its own Intensive English Program (IEP) with a unique curriculum to academically, culturally and socially prepare English language learners for successful integration into university classes. Our American culture course is uniquely designed as part of our curriculum to help students integrate into campus life and the United States. Free overnight trip to a major city (such as Chicago or Minneapolis) is offered once a semester. Successful completion of this program can lead to admission into our Undergraduate or Graduate program.
