Hazing at Upper Iowa University is **STRICTLY PROHIBITED**. Any individual or group found guilty of hazing will be subject to disciplinary sanctions which could include suspension, expulsion, and/or group termination. For further questions about hazing, please see the Student Handbook or contact the Director of Student Activities.

Any person suffering or witnessing a hazing activity is encouraged to report the incident to the Office of Student Activities. The principle officer of each registered student organization shall be responsible for informing pledges and members of the University Hazing Policy.

The Upper Iowa University Hazing Policy will be in accordance with the laws of the State of Iowa at all times. However, the university's standards of personal conduct substantially exceed the minimum expectations of civil law and custom. Student organizations and individual students found in violation of Iowa hazing laws will be subjected to university disciplinary action. The university disciplinary process does not make an individual or organization exempt from criminal prosecution with the State of Iowa.

Below is the actual hazing law for the state of Iowa. This law/policy should be read to every member, pledge, or applicant for membership of the organization. Once the group, team, or organization has heard, understands, and agrees to comply with the provisions of this law, the principle leader and advisor of the organization should sign off on this agreement.

For club and organization reference, the law on hazing in Iowa states the following (708.10):
