RE: Louisiana License Renewed for Upper Iowa University

Dear Holly Streeter:

At its meeting on August 26, 2026, the Louisiana Board of Regents approved the license renewal application for Upper Iowa University. The institution's license is renewed through July 1, 2028.

The Academic Annual Registration application and fee of \$1,500 will be required by July 1, 2027.

The Board of Regents' regulations require that if an institution desires to use the fact of licensure in any form of advertisement or publications, only the following language can be used:

Upper Iowa University is currently licensed by the Board of Regents of the State of Louisiana. Licenses are renewed by the State Board of Regents every two years. Licensed institutions have met minimal operational standards set forth by the state, but licensure does not constitute accreditation, guarantee the transferability of credit, nor signify that programs are certifiable by any professional agency or organization.

Should you have any questions, feel free to contact my office.

Sincerely,

Courtney Britton
Director of Licensure
