EXPLORE UPPER IOWA UNIVERSITY!

We know that students have a lot of options when it comes to pursuing their education. Discover how UIU can be the right fit in your life and achieve the goals you have set for yourself. Below are some areas to consider when making your final choice:

- Learn about the benefits of completing your degree and the potential impact for your future.
- Discover the variety of options for how to take your courses at UIU. You can elect to take classes face-to-face, online or through our self-paced program.
- Uncover the wide array of majors and programs to choose from.
- Determine how your previous credit or work experience could help complete your degree more quickly, saving you time and money
- Review the options for how to pay for your education including financial aid, scholarships, grants, etc.

Once you determine UIU is the right choice for you, take the next steps toward acceptance:

Step 1 Complete our free
Online Application
UIU.EDU/APPLY

Step 2 Complete the Free Application
for Federal Student Aid (FAFSA)
WWW.FAFSA.ED.GOV
use UIU school code: 001893

Step 3 Send in your official transcripts for acceptance

THE BENEFITS OF EARNING A DEGREE

A college education is quickly becoming a necessity for the job market. Therefore, it's important to realize that even though continuing your college education requires both a significant time and financial commitment, the benefits can heavily outweigh the costs.

At UIU, both traditional students and adult learners seeking an undergraduate or graduate degree obtain a personal learning experience that is designed to ensure educational and career success.

“ Completing my degree at Upper Iowa University helped me develop a skill set that has proven invaluable. My education helped accelerate my career and better my life in ways I could only imagine. Upon graduation, I was employed with an aerospace company in their financial leadership program. The opportunities and experiences I have enjoyed after completing my degree forever changed my life.”

ENHANCE YOUR CAREER AND YOUR LIFE

It's hard to put a value on your education, but statistics show earning potential for college graduates makes sense. The U.S. Bureau of Labor Statistics documents the vast difference in earnings and unemployment for those with college degrees. On average, the median weekly salaries of U.S. citizens nearly doubles—\$746 (\$37,930 annually) for a high school diploma to \$1,248 (\$75,440) for a bachelor's degree. Advanced degrees increase that value to \$1,497 - \$1,883 (\$76,180 - \$107,660).*

TRADITIONAL CAMPUS

ACADEMICS

Upper Iowa's unique schedule and delivery options meet the needs of working adults. We're committed to providing top-rated education across a wide seamless array of learning opportunities. Our face-to-face and online classes offer six accelerated sessions, so you never need to wait long to start a class.

EDUCATION CENTERS WITH ON-SITE EVENING CLASSES

Online

Our online program offers asynchronous courses, which means you can log in and learn any time of day when it's convenient for you. You will actively and substantively participate in discussions on course topics that enhance your education. For more information, visit uiu.edu/online.

FLEXIBILITY

ONLINE
AND

SELF-
PACED
DEGREE

PROGRAMS

MILITARY
FRIENDLY

Education Centers

UIU offers academic programs at education locations in communities and on military installations across the U.S. These locations provide face-to-face classroom learning opportunities in the evenings. Majors vary by location, but each can help you start an online degree. To find a UIU location near you, visit uiu.edu/locations.

Self-Paced Programs

UIU provides paper-and web-based courses that meet your education needs wherever you are. The

web-based program allows you to complete your assignments and exams through our online platform. The paper-based program allows more flexibility

with coursework submitted to your instructor by mail, fax or email, and proctored exams. You can take up to six months to complete your coursework. Visit uiu.edu/selfpaced to view our self-paced degree options and choose the one best suited for you.

GRADUATE PROGRAMS

Master of Business Administration (MBA) is designed for the recent college graduate or tenured professional looking to take that next step in their career. Our forward-thinking curriculum is a stepping stone for careers not just in business, but in health care, higher education, athletics and public services. UIU MBA professors are professionals who, working in the fields they teach, bring real-life experience to the classroom. **Areas of Emphasis:** Accounting, Corporate Financial Management, General Management, Human Resource Management, or Organizational Development.

Master of Public Administration (MPA) provides students with the practical knowledge and skills necessary to excel at leading and managing government and nonprofit organizations. Practitioner oriented and suitable for a variety of occupational fields, this graduate degree helps students navigate the unique political and legal challenges that surround public organizations. **Areas of Emphasis:** Emergency Management and Homeland Security, Government Administration, Healthcare Management, Nonprofit Management, or Public Management.

Master of Education (MEd) is designed to develop a broad base of knowledge, skills and dispositions that enhance your capacity for leadership. Classes are taught by individuals who have strong hands-on experience teaching in K-12 and working in higher education. Course scheduling is flexible—take classes online and/or at select education locations in Iowa. **Areas of Emphasis:** Early Childhood, English as a Second Language, Instructional Strategist, Reading, Talented and Gifted (TAG), Teacher Leadership, or Higher Education.

Master of Sport Administration (MSA) is delivered entirely online. As a graduate, you will understand the organizational, financial, personnel and technology issues involved in sport and sport business, and have a greater understanding of the needs

within athletic departments in high school, college and professional sports.

Master of Science in Counseling (MSC) prepares students to become professional counselors for a unique profession that emphasizes prevention of emotional and mental disorders, early intervention when problems are identified, and empowerment of clients. Counselors not only assist individuals; they are committed to working for social justice in our society and learn to work effectively with a diverse clientele. This program is delivered online. **Areas of Emphasis:** Mental Health Counseling or School Counseling.

TRANSFER AND EXPERIENTIAL CREDIT OPTIONS

Transfer your credits

You are able to transfer a maximum of 90 semester credits from four-year accredited institutions completed with a grade of C- or better. Of those 90 credits, a maximum of 78 lower-division semester credits can be transferred. You are able to transfer a maximum of 12-semester credits at the graduate level with a B or above.

Credit by Examination

Earn credit through CLEP, DSST and/or ACT-PEP examinations. Credit by examination is transcribed without charge when your score is at or above the level recommended by the American Council on Education (ACE).

Credit for Military and Civilian Training

The American Council on Education's (ACE) College Credit Recommendation Service connects workplace learning with colleges and universities by helping adults gain access to academic credit for formal courses and examinations taken outside the traditional classroom. Credit will be awarded based upon the ACE National Guide to College Credit for Workforce Training.

Experiential Learning Credit

You know how hard you've worked to get to where you are today—and so do we. To accommodate individuals who have built up experience prior to attending UIU, we developed a portfolio process to determine students' achievements and demonstrated learning outcomes. You can earn up to 30 semester credits of college credit for prior learning experience.

GETTING STARTED

Who better to invest in than yourself? Financial assistance is available for those who qualify from a variety of sources: employers, the military, federal financial aid programs, loans and grants. Plus, there are a variety of private scholarships offered online and in many communities.

Financial Aid

Complete the Free Application for Federal Student Aid (FAFSA) online as soon as possible www.fafsa.gov. UIU's school code is **001893**

Military Tuition Assistance (TA)

Armed Forces TA can pay for up to 100% of tuition for members of the military. Criteria and assistance levels vary by branch.

Veterans Benefits

All UIU programs are approved for qualifying learners receiving veterans' benefits, including Post 9/11 GI Bill® and the Yellow Ribbon Program.

Patriot and Military Family Grant

UIU's long-standing relationship with the total military family is beneficial for Department of Defense cardholders. UIU offers two unique grants for the total military family.

Company Tuition Benefits

Check with your Human Resource department to see if you qualify for this option.

Corporate Advantage Partnership Grant

Several organizations have partnered with UIU to provide a tuition grant for their employees and their families.

Payment Plan Options

Take advantage of making monthly payments to help finance your education.
