CHANGE OF ADDRESS FORM

All F-1 and J-1 students who move are required to update their new address within 10 days of their move.

In order to change your address completely, please complete the following steps:

1. Go into your myUIU account and change your address.
2. Complete the "Change of Address" form in this packet.
3. Submit the form to your International Student Advisor.

Only after you complete these three steps will your address be completely changed with UIU and the Department of Homeland Security (DHS). If you fail to complete any of the steps above your address will not be updated in all areas, and therefore, you may not get important information.

It is the student's responsibility to maintain a current address with Upper Iowa University and the DHS at all times.

If you have any questions, please contact the Center for International Education at international@uiu.edu, or via phone, at (563) 425-5852.

When ready, please submit all paperwork to:
