FIRST YEAR INFORMATION

A guide to Upper Iowa University for first-year students

FIRST-YEAR INFORMATION

To begin (or continue) your collegiate career at Upper Iowa University (UIU), this publication has been designed to aid you in your transition to Fayette Campus and introduce you to some of the tremendous opportunities available. The achievements you attain as a UIU student and contributing member of society begin with the path you select on your educational journey.

HOW DO I SUCCEED AT UIU?

UIU is filled with opportunities for your success– not to mention the people who care about your success. However, you must realize it is a two-way street.

You will get from your UIU experience exactly what you put into it! So YOU, have to take the initiative! It is up to you to seek out opportunities, get involved and talk with your instructors, advisor and others.

The responsibility lies with you to gain the most from your college experience. Go out and generate a network of friends and associates – those who can help, advise and provide encouragement in a positive manner.

Remember, you are the one investing in your future– both financially and academically! UIU has seen many students successfully take these opportunities and build a solid foundation for their chosen career and lifetime goals.

REGISTRATION INFORMATION

ACADEMIC CALENDAR

At UIU Fayette Campus, the academic year is divided into three major components: fall semester, spring semester and summer semester.

REGISTERING FOR CLASSES

During OAR (Orientation, Advising and Registration) Day, a faculty member will assist you in registering for Sessions 1 and 2 through myUIU. Please note that the faculty member you meet with at OAR Day may or may not be your assigned academic advisor. For continuing semesters, you will meet with your assigned academic advisor. The advisor will approve courses selected on myUIU or help you add/drop courses.

COURSE LOAD PER SEMESTER

The minimum course load for full-time enrollment is 12 credit hours per semester (usually six credit hours per session). The minimum is especially important for those students who intend to obtain financial aid or participate in intercollegiate athletics. The Fayette full-time course load is between 12-18 credits each semester. Most students should plan to carry a minimum of 30 semester credits during the entire academic year if they are planning to graduate in four years. A minimum of 120 credit hours is needed to graduate.

All entering first-year students will register for 12-18 credits during their OAR Day. First Year Seminar at UIU is a course that transitions students to higher education and prepares them for their academic journey through self-exploration, reflection, and critical thinking. It is an expectation that all first-time, full-time students take FYS during their first semester of enrollment.

A face-to-face learning experience reinforces relationships, accountability and develops a stronger sense of community. Fayette Campus students are expected to take a *minimum* of two face-to-face classes per semester. Best practice is that students will have (at least) one face-to-face class per session.

CLASS SCHEDULING

There are seven time periods for course offerings during the day. Courses begin at:

8:00 a.m. 10:50 a.m. 1:05 p.m. 3:40 p.m.
9:25 a.m. 12:50 p.m. 2:15 p.m.

There are two basic course schedules. The most common courses meet four days a week (Monday, Tuesday, Thursday and Friday) for 75 minutes each day. Other courses meet five days a week for 60 minutes each day. Education courses meet for 75 minutes each day, five days a week.

SELECTING COURSES

Your ability to choose between different courses depends on three factors:

First, there are limits on the number of sections of courses that can be offered and on the number of students in any course. Courses do "close" when the number of registered students reaches the maximum number allowed in a course. You cannot register for a closed course.

Second, entering freshmen are generally limited to taking courses numbered less than 200. When you plan a schedule before meeting with your advisor, it is wise to select a few alternate courses in case the first choice is unavailable.

Third, your major area will determine the amount of choices you have on OAR Day. Certain majors require a specific core and/or sequence of courses. Therefore, you will have less freedom in choosing your courses.

WHAT CAN I DO IF A COURSE I WANT TO TAKE IS CLOSED?

Consult with your academic advisor concerning your options.

ARE THERE ANY GENERAL SUGGESTIONS ON WHICH COURSES I SHOULD TAKE?

For the first semester, first-year students typically register for courses that will fulfill General Education requirements. Transfer students register for courses that are listed on their advising work sheet. Your academic advisor is the best source for suggestions based on your particular circumstances.

GENERAL EDUCATION REQUIREMENTS

These are courses (36 semester credit hours) all students must take to ensure they are well prepared to meet today's rapidly changing environment of technological developments and the diverse people working to build a better future for all humanity. While these courses may be taken at any point, a general

suggestion is to complete as many as soon as possible given your particular circumstances.

Transfer students might have met some or all of these requirements through the successful completion of courses at their previous institutions. Transfer students should consult with their academic advisor concerning which general education requirements they have remaining.

COURSE NUMBERING SYSTEM

The course numbers denote the class level for which courses are intended. Courses numbered below 100 are designed to assist students in learning basic foundations. Those numbered 100-199 are designed for freshmen, 200-299 for sophomores, 300-399 for juniors, and 400-499 for seniors. Courses numbered below 100 do not count toward the 120 credits required for graduation.

COURSE DESCRIPTIONS

Refer to the UIU Catalog for descriptions of courses.

READING THE COURSE SCHEDULE

The course schedule is available on myUIU or the UIU website at: *uiu.edu/locations/fayette*. Courses are listed alphabetically by department. On every page, there are several columns:

Course/Title: The first item is the abbreviation of the department followed by a 3-5 digit course number (the next four digits are for registration purposes). To the right of this line is the title of the course.

Cap: This is the maximum number of students allowed to register for the course.

Credits: This number is the semester credit hours for the course.

Days: The days of the week the course meets. For a 3-credit course, there are usually two options: every day (MTWRF) and four days a week (MTRF).

Beg. Time: The time when the course period starts.

End Time: The time when the course period ends.

Location: 05 designates a course offered face-to-face at Fayette Campus.

Bldg./Room: Where the course meets (building and room number).

Instructor(s): The name of the instructor.

Comments: Special instructions for some courses.

COURSES NUMBERED BELOW 100

To respond to the needs of our first-year students, UIU offers developmental courses to help students who need more time building course foundations for courses, such as math. The goal of these courses is to prepare students for college-level courses in topics where they have previously struggled or need a refresher on the core concepts.

Credits earned by taking courses numbered below 100 are not counted toward the 120 credits needed to graduate, but they are counted toward your full-time status of 12-18 credits. First-year students may also count these courses for athletic eligibility credits. Like all courses, the GPA earned in these courses calculate into your cumulative GPA.

HOW CAN I CHANGE MY COURSE REGISTRATION?

You can alter your schedule with your advisor's permission. You have until the **third** day of each session to **add** a course and until the end of the fifth week of the session to withdraw from a course.

WHAT IF I HAVE A LEARNING DISABILITY?

The University will make appropriate and reasonable accommodations for those students who report a disability and provide appropriate documentation (see page 29).

ANY FINAL SUGGESTIONS TO AID ME IN REGISTERING?

CAREFULLY read and study all materials sent to you by UIU. COME PREPARED to participate fully with your academic advisor in the registration process. DO NOT hesitate to ask questions.

HONORS PROGRAM

The Csomay Honors Program serves UIU's most exceptional and motivated students with unique opportunities in and out of the classroom. Members of the Honors Program are among UIU's most motivated and highest-achieving students and enjoy a range of benefits as part of membership in the program, including:

- A dedicated Honors scholarship.
- Unique coursework that empowers Honors students to explore their personal interests and aspirations. Honors members begin their journey together in a special section of First Year Seminar and have exclusive access to two Honors courses designed specifically for UIU's most creative and driven students.
- Research opportunities and funding to attend and present at academic conferences.
- Membership in a community of like-minded students and faculty to support you throughout your time at UIU and beyond.
- Opportunities for travel, service learning and community engagement.
- Special recognition at graduation upon completing the program and distinction that will help you stand out in the job market or in applying for graduate, law or medical school.

Applicants to the Csomay Honors Program are admitted based on academic performance, extracurricular activities and life experience. Applicants generally have a GPA of 3.5 or higher; students in the 3.25-3.49 range are also encouraged to apply. ACT scores are not required but may be presented if the applicant chooses. Those interested in joining the Honors Program will complete an online application and will be invited to participate in a virtual interview with the program chairperson.

QUESTIONS?

Contact: Dr. Matt Foy, Honors Program chair at foym38@uiu.edu or learn more about the program online at **uiu.edu/HonorsProgram.**

"All of the experiences I have enjoyed as a member of the Csomay Honors Program have been amazing. I have grown alongside some phenomenal students in the program and we have become lifelong friends. The program gave me the support to personally develop at a fast pace, and the faculty has been relentlessly supportive of me in all aspects of my Upper Iowa education."

Julia Szepieniec '20
Biology | Eau Claire, WI

"The Csomay Honors Program offered me an avenue to explore something I was passionate about, which was the study of women's equity in athletics. My research will be used for future decisions on how to improve equity between male and female athletes at UIU and create positive change in any community, while still working to complete my bachelor's degree in education."

Kiersten Koch '22
English | Freeport, IL

"The Csomay Honors Program challenged me to think deeper than just the surface about the world around us. The smaller size of the program than a typical university allows for the formation of great friendships with the other Csomay Honors students on campus. With the smaller size, professors were able to provide a vast amount of support that helped me accomplish the tasks asked of me within this program and my other academic affairs in my time at Upper Iowa."

FINANCIAL SERVICES

STUDENT FINANCIAL SERVICES

Financial Aid and Student Accounts encompass Student Financial Services. Together, our staff helps parents and students understand the costs associated with an Upper Iowa University education, and to find means to meet these costs.

Through federal, state and institutional financial aid programs, as well as a variety of educational loan options and a payment plan program, we help families manage the cost of a quality education. Whether you make lump sum payments now or spread payments out over several months, we strive to provide the services needed to make Upper Iowa University a financial reality for our students.

For more information, visit: **uiu.edu/financial-aid/index.html**

FINANCIAL AID

The first step to applying for federal student aid is completing the Free Application for Federal Student Aid (FAFSA). The 2023-24 FAFSA was made available for submission as early as October 1, 2022. Students are required to report income information from the 2021 tax year. The FAFSA is a FREE application and can be completed and submitted at *studentaid.gov*.

If you need any assistance in completing the FAFSA, please contact our office to discuss questions or schedule an appointment. The FAFSA should be completed for each year that you would like to receive financial aid.

After filing your FAFSA, you will receive a Student Aid Report (SAR) listing the information from your FAFSA. Your SAR also lists your Expected Family Contribution (EFC), which is used to determine your eligibility for need-based aid. Please review your SAR for accuracy and make any necessary corrections online. If your family's financial situation changes after you submit your FAFSA, you may request a review of your eligibility by contacting the Financial Aid Office.

Check your myUIU and UIU email. Any correspondence related to your financial aid offer notification will be conducted via your UIU email account and myUIU.

NET PARTNER

The Financial Aid Office utilizes the Net Partner Portal system to communicate with students regarding their financial aid files and to provide students with updates. Net Partner is separate from the myUIU system and is specifically used for Financial Aid purposes. Net Partner can be accessed using your student ID by navigating to *uiu.edu/financialaid*, and selecting the Net Partner button on the right side of the page.

Financial Aid notifications, general information and requested documents needed by the Financial Aid Office are posted on Net Partner. Email notifications are sent to a student's UIU email address when information is needed. Students are ultimately responsible for managing their Net Partner document requirements and completing their financial aid files to receive aid.

Students requiring assistance with gaining access to Net Partner or completing document requirements through Net Partner, should contact our office for personalized service.

TEXTBOOKS

Textbooks are sold through the Upper Iowa University Virtual Bookstore, under the management of BNC/ MBS Direct.

HOW DO I FIND MY TEXTBOOKS?

There are two ways to locate your required textbooks.

1. After you have registered for classes and your registration has been approved, logon to myUIU.
   - Click the Academics Tab
   - Click BNC Course Link (Bookstore) on the left side of the screen
   - Click the Bookstore button to be taken to your shopping cart at the bookstore.

All of your required books will be listed, giving you the option to purchase new or used, or rent new or used publications when available. In some instances, digital books will also be available. Please see the Virtual Bookstore brochure within your OAR Day materials for more information on digital textbooks.

2. Visit the bookstore website at **bncvirtual.com/uiu.**
   - Click "Let's Get Started."
   - Have your schedule readily available and choose your session, location/program, course and section.
   - Repeat this step for each remaining class.
   - From here you will be able to view your required materials.

HOW DOES RENTING WORK?

A majority of textbooks are available to be rented in new and used condition. All rentals are due seven days after the last day of class. When returning a textbook, simply place the prepaid shipping label on your return box and drop off at the Campus mail room.

WHAT IS A DIGITAL TEXTBOOK?

Digital textbooks are available for many classes. These books include the same information as a physical textbook and can be accessed on a variety of mobile platforms.

HOW CAN I PAY FOR MY TEXTBOOKS?

Textbook payment options include check, credit/debit card, PayPal, money order or by student account. If a student's total financial aid award amount for the semester exceeds all institutional charges on the student's account (including, but not limited to tuition, fees, Campus housing and meals) the student would receive a book voucher. Students who do not have an excess of funds after all institutional charges are covered will not be eligible for a book charge and will have to pay using one of the other methods. It is advised to purchase both Session 1 and Session 2 books at the beginning of the semester to ensure the overage covers those expenses.

WHEN CAN I PURCHASE/RENT TEXTBOOKS AND HOW QUICKLY WILL THEY ARRIVE?

Textbooks can be ordered at any point following registration. All orders over $49 include free standard shipping and will typically arrive in 3-4 business days.

Expedited shipping will be fulfilled within one business day.

WHEN DO I NEED TO HAVE MY BOOKS?

Instructors request that students have the books before classes start.

CAN I SELL MY BOOKS BACK WHEN DONE WITH THE CLASS?

More information is available under "Sell Your Textbooks" on the website.

HOW DO I GET READY FOR COLLEGE?

STEP 1

Attend an OAR Day. The best you can do is to keep attentive and focused on your OAR Day. Your life will be easier on the first day of classes because much of the "busy-work" can be completed on your OAR Day.

STEP 2

Prepare your mind for college. You are not in high school any more. You are on your own for the most part and you should be prepared for a lot of change. Not only will you "finally" have some freedom, you will also gain MUCH responsibility. No one will be waking you up for school anymore and you will be doing your own laundry! Here are some of the "little" things that will help you be ready for your next step in life.

To be successful at college (and in life) you need to be focused on priorities. Be sure to enjoy your college experience but don't forget this experience is costing you or your parents a good chunk of change. Stay focused and don't waste this investment. Set your goals and find a social balance that works best for you.

Get used to getting up early. Classes begin as early as 8 a.m. and athletic practices begin as early as 5:30 a.m. Don't spend your entire summer sleeping in. Adjust your body's internal clock to get up at a proper time depending upon your schedule.

Determine how much sleep you need. It may be fun and exciting to stay up all night, but lack of sleep can affect your performance academically, physically and emotionally.

Speak with your parents about finances. You may not have a clear understanding of how much money you will need at this point. Work together to prepare an initial budget and discuss plans for traveling home on breaks.

Learn a few things from home. You may or may not have a lot of chores to do at home. Be ready to take care of yourself before coming to Campus. Know how to do laundry, cook meals, change a light bulb, clean house, maintain a car, balance a checkbook, etc. If there are things you want to learn about, ask!

STEP 3

Get ready to move! If you plan on living in the University's residence halls, you need to think about what to pack! Don't think you have to bring EVERYTHING from home – it just won't fit! Refer to the list on page 13 to determine what is most necessary. Be sure to include special items that will make you feel at home at UIU. You can always bring more "stuff" later!

THE MORE YOU KNOW

FERPA PERMISSIONS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. For a parent, guardian or other person to view information about a student, the student must grant permissions to each person by completing a form located under "Student Forms" on the "Academics" tab on myUIU. The student must select "Set FERPA Permissions" to complete the form.

Permission categories include information relating to course schedule, financial information, academic information/grades, account holds and residence life information. The student may select different permissions for each of these categories. Please note that permissions do not take effect right away. The University must process the request and the person receiving permissions will receive an email when his or her account is ready.

MENTORING AT UIU

Students have the opportunity to participate in UIU's Peer Mentor Program (PMP). The Peer Mentor Program pairs trained upperclassmen with students who need guidance and additional support throughout their UIU experience. PMP will offer the mentee an opportunity to connect with another UIU student, who can help them better transition to college, meet new people, connect with others who share common interests and lend a helping hand. Stop by Student Life to inquire about mentorship opportunities.

PARKING ON CAMPUS

Students who park a motor vehicle on Campus must purchase a parking permit. The fee for a parking permit is $75. You may purchase a parking permit in person at Facilities Management and Services 8 a.m.-5 p.m. Monday through Friday or online. Facilities Management & Services accepts cash, check or credit/debit card for payment. If paying online, only a credit/debit card can be used. The parking registration form as well as an option to purchase a parking permit online can be found at uiu.edu/facilities.

The parking permit must be in place when parked in a University parking lot or you may receive a parking violation.

If a student chooses NOT to purchase a parking permit, that student can only park along the surrounding city streets.*

Where to Park: Parking lots are labeled for permit parking and visitor parking. Students living in a residence hall should park in lots labeled "R." Commuting students are to park in lots labeled with a "C."

Where NOT to park: Students, faculty and staff of the Fayette Campus are NOT permitted to park in visitor parking lots. Be sure to look for signage as well as reading the Parking Rules and Regulations (found at myUIU).

*The City of Fayette does not allow vehicles to be parked on city streets overnight.

Any student, faculty or staff member parked in a visitor lot will be ticketed ($10-$50). Another area that is restricted from parking is a loading area located just north of Garbee Hall or near garbage receptacles. Anyone parking in these areas will be ticketed ($50) or towed without notice.

If you receive a parking ticket, payments can be paid in Student Life or online here at **uiu.edu/experience/parking-on-campus**.

STUDENT EMPLOYMENT

There are two types of UIU student workers – Federal Work Study (FWS) and UIU funded. Students eligible for Federal Work Study should visit the Financial Aid Office in the Student Enrollment Center (Garbee Hall/ Second Floor) for additional information. All student positions are posted on UIU's new online career management system. Visit Handshake (joinhandshake.com) to create an account and view the open student positions.

Once a student has obtained a position, a student worker contract will be issued. If this is the first position the student has held at UIU, the student must complete new hire paperwork. New hire paperwork consists of Form I-9, confidentiality statement, direct deposit authorization form and Federal/State W-4 forms.

New student workers are unable to begin work until the contract and required paperwork have been completed and submitted to the HR Specialist (Human Resources Office, Alexander Dickman, 1st floor).

When completing the Form I-9, students must present a combination of original documentation that establishes their identity and employment authorization. These identification documents are referred to as List A, List B and List C documents. Below is a list of acceptable documents:

List A Documents (1 Required)

U.S. Passport
U.S. Passport Card
Alien Registration Receipt Card
Foreign Passport

OR A COMBINATION OF:

List B Documents (1 Required)

Driver's License
ID Card Issued by State
Government ID
School ID

PLUS

List C Documents (1 Required)

Social Security Card
Birth Certificate
U.S. Citizen ID Card

International Students: In addition to the above described hiring process, international students may be required to comply with applicable U.S. federal government regulations. International students should contact the International Services Coordinator for more details and if they need to obtain a Social Security card.

CABLE AND INTERNET

Internet hookups are available in every residence hall room.

Students are to bring their own computer. Cable is available on the TV's in all common areas.

Students are provided with an Educational Internet Package for internet access to their residence hall room at no cost. For enhanced usage, Entertainment and Gaming packages are available for an additional cost (see page 28).

TRANSPORTATION TO UIU

Students making flight or bus arrangements are asked to plan their arrival into the Cedar Rapids Airport or Iowa City or Coralville bus stations. Students needing transportation must sign up for a shuttle via **uiu.edu/shuttle** or via the QR codes posted around campus. For planning purposes, reservations are required via the registration form and are accepted until one week prior to the transportation date. UIU's shuttle transportation is available only on the published dates.

Students needing transportation outside of the published dates/times should make arrangements with external shuttle vendors. Please plan your travel to and from Fayette around the published times.

For more information on this service, contact the coordinator of Student Life at **563-425-5215** or **studentlife@uiu.edu**.

Trunks and heavy luggage can be shipped ahead of the student's arrival time to:

ACADEMIC SUCCESS

OFFICE OF ACADEMIC SUCCESS

The Office of Academic Success is committed to helping students reach their academic goals. Individual appointments as well as group experiences are offered to strengthen your learning experience at UIU.

STUDENT ACCESSIBILITY SERVICES

The University will make appropriate and reasonable accommodations for those students who report a disability and provide appropriate documentation (see page 29).

STRATEGIES FOR SUCCESS WORKSHOPS

Strategies for Success Workshops are 30-minute workshops offered by the Office of Academic Success. These workshops touch on a variety of common concerns among college students including time management, goal setting, motivation and test anxiety—just to name a few. Both group and individual workshops are available to all students. *uiu.edu/academics/academic-support-services/academic-tools*.

TUTOR AND WRITING CENTER

The Tutor Center and Writing Centers are housed in a shared space in Student Center Room 217. The space in the centers has been created for an atmosphere conducive to academic productivity, group work sessions, one-on-one consultations or independent work.

The Centers include two full-time staff directors, trained peer tutors and writing consultants. In addition to the staff, there are several academic resources available both in the physical center and online, none of which require any cost to students.

The Tutor and Writing Centers' hours of operation:

Monday - Thursday	9 a.m. – 5 p.m.
	7 p.m. – 9 p.m.
Friday	9 a.m. – 3 p.m.
Sunday	7 p.m. – 9 p.m.

The Writing Center offers assistance to students during all stages of the writing process. Some examples of support provided include:

- Understanding assignments & criteria
- Brainstorming & exploring ideas
- Thesis & keywords
- Outlining & drafting
- Organization & structure
- Research strategies
- Avoiding plagiarism
- Formatting & citation styles
- Editing & revisions
- Recognizing patterns of grammatical error
- Writing across various fields of study

The Tutor and Writing Centers offer assistance by drop-in at the Fayette Campus and appointments both on Zoom and face to face in the Tutor and Writing Center. When on-campus options are unavailable, UIU has also partnered with TutorMe and Grammarly to ensure student academic support is available. Look for more specific information around campus and in your UIU email at the start of each session. All tutor and writing assistance is free to UIU students.

CAMPUS RECREATION & WELLNESS

The mission of Campus Recreation is to promote long-term healthy lifestyle behavior through participation in multi-faceted recreational, educational and leisure opportunities. The department promotes and coordinates Campuswide competitive and recreational activities. Events and programs enhance skills, foster lifelong friendships and teach the understanding of true sportsmanship while promoting healthy lifestyle choices.

RECREATION CENTER

The Campus Recreation Center opened in 2001. This facility contains a 26,500 square foot fieldhouse and now has two three-lane tracks along with basketball, volleyball, badminton and tennis courts. There is also a fitness space containing ellipticals, treadmills, exercise bikes, rowers, arc trainers and more. This space includes multiples TV screens to maximize your workout experience. Our top-of-the-line equipment and entertainment options ensure a comfortable and all-inclusive experience for every workout. Equipment is available for checkout with a UIU student ID at the Rec Center Front Desk.

Other recreation spaces at a student's disposal include:

- Lighted outdoor tennis and basketball courts located on Campus
- Lighted tennis courts, sand volleyball courts and softball fields in the Fayette community

INTRAMURALS

Get in the game! The UIU Intramural program offers an extensive range of sports leagues, tournaments and events for students, faculty and staff. Our purpose is to provide exercise, recreation and fun to participants in a relaxed, yet structured environment.

Intramural Sports is a crucial element of the academic experience in that it promotes and reinforces teamwork and personal accomplishment, mutual respect and integrity, competition and recreation, as well as skill and exercise. Events and tournaments are designed for competitive and experienced athletes, as well as those looking to participate in a fun activity or want to try a new sport! Upcoming activities include:

LEAGUES

- Volleyball
- Basketball
- Spikeball
- Cornhole
- Golf
- Softball
- Dodgeball
- Tennis
- Fantasy Sports
- Esports

DAY TOURNAMENTS

- Home Run Derby
- Longest Drive
- Ping Pong
- Billiards
- Badminton
- Futsal
- Pickleball
- Boot Hockey
- Bowling
- Flag Football

OUTDOOR PURSUITS

The Outdoor Pursuits program is open to all students of Upper Iowa University. Our programs are designed with the beginner in mind. Outdoor Pursuits is designed to provide a positive, fun and safe adventure at a reasonably low cost and is often free! Our programs are only possible if people participate, so come and get involved! No experience necessary! We also checkout recreational equipment to help you jump-start your adventures! The following items are available to checkout for a weekend or a day.

- Camping equipment
- Canoes and kayaks
- Life jackets & wet suits
- Skates and rollerblades
- Bikes (including helmets)
- Outdoor games
- And much more!

CAREER DEVELOPMENT

You are in college now and it's never too soon to start planning for your future career!

The UIU Office of Career Development is located on the Student Center second floor and provides services to all students and alumni. All students are strongly encouraged to utilize the Office of Career Development resources and staff.

Services offered include job and internship search, resume and cover letter review, preparing for graduate school, alumni mentoring, professional networking, choosing a major, career coaching and more!

Events offered throughout the year include career-readiness workshops, in-person and virtual career fairs, a monthly alumni speaker series, plus collaborative leadership and career development activities to meet the needs of all students. Is there something you would like to see? Let us know!

Many resources are found on our webpages, such as:

Handshake — An all-inclusive, interactive tool that allows students and alumni to search for internships and jobs, upload a resume, network with employers based on their degree, and connect with the career development office.

Career Spots — Three-minute videos that touch on resume writing, interviewing, networking and more.

Parker Dewey — A platform for students to take part in micro-internships. Through these experiences students can demonstrate skills, explore career paths and develop professional networks. Unlike traditional internships, these paid opportunities typically range from only 5 to 40 work hours and most are completed remotely.

FOCUS — Assess your values, interests and experiences through Focus. Compare career options and find additional information.

Candid Career — An informational video interviews from professionals that give a snapshot of jobs in their respective career fields.

What Can I Do With This Major? Learn about career areas and types of employers that hire people with each major.

Graduate School Information — Explore options, financing information, resume and curriculum vitae assistance, and more.

3. Cost for services is borne by the student or his/her family insurance carrier.

STUDENT HEALTH INSURANCE

Upper Iowa University is vitally interested in making our students' academic and personal experience meaningful and successful. Health and wellness are key components of that experience. To ensure that students receive the care they need to stay in class and avoid the potential hardship of medical expenses, it is recommended that all full-time and/or resident students have adequate health and accident coverage. Non-international students have the option of maintaining primary coverage under a family employee plan or private insurer.

All international students are required to enroll in the Upper Iowa University student health insurance plan. More information can be provided by contacting Student Life at studentlife@uiu.edu.

EDUCATION ABROAD

All UIU students have the opportunity to study, intern, volunteer, work or teach abroad! Through study abroad, you can gain international experience and skills and be able to relate with people from different backgrounds, an important ability in the workplace. According to a study by the Institute for the International Education of Students, study abroad alumni have a higher starting salary and are more likely to get into their top choice for graduate school.

- Choose from over 50 countries
- Choose from over 130 different fields of study
- Pay UIU tuition, fees, room and board
- Use your financial aid and scholarships
- Go abroad for a week or more, a month, the summer, a semester or a whole year

To find the perfect program for you contact **educationabroad@uiu.edu**.

LIBRARY SERVICES

HENDERSON-WILDER LIBRARY

Henderson-Wilder Library, located on the Fayette campus, is a unique merger of a 1901 Carnegie library and a 1960s library addition creating over 4000 square feet of collection and study space. The building contains over 94,000 books, journals and multimedia materials across three floors and is home to the University Archives. The UIU Archives preserves and promotes the history of the University and our community. History is highlighted through primary source materials such as images, stories, artifacts, and documents from when Upper Iowa University opened its doors in January 1857 to today. Select materials are digitized and made available online through the archive's website. If there are items you would like to donate, or stories you would like to share, please contact our archivist at **archives@uiu.edu.**

The Library supports UIU undergraduate and graduate academic programs by providing a full range of information resources and services that encourage learning, study, research, and collaboration. The library provides access to collections, both in print and online, that meet the curricular, research, and collaborative needs of the total University. Library databases, research guides by subject, and additional electronic access to e-book collections and thousands of full-text journals, references, newspapers, maps, etc. are available via the library website. All subscription-based databases may be accessed with the student's login credentials at anytime and anywhere; thus, providing library resources for UIU's global community.

Henderson-Wilder Library is open 7 days a week during the school year, and until 11pm most nights, providing a positive, pleasant and quiet study environment. Information Literacy Sessions are available upon request for classes and individuals to learn how to use library resources. As a learning resource center, the library houses a computer lab, study rooms, an Audio-Visual Room with a computer, video player and projector in a classroom setting, as well as the Kinney Room with an extensive collection of children's and young adult books, and an Education Curriculum Resource library. As a federal depository, United States government documents are freely available in print and online. The library is home to the Sensory Room, provided by Student Accessibility Services, and the LGBTQ+ Resource Room, provided by the Counseling Office. Laminating services are available at .08 cents per running inch with a max width of 25 inches. Through the Iowa GEER technology grant, UIU students enrolled at an Iowa location, or an online student living in Iowa, may check out a laptop for 1 term or an iPad for 1 session. Supplies are limited and distributed on a first-come, first-serve basis.

Henderson-Wilder Library participates in many InterLibrary Loan (ILL) networks and resource-sharing consortiums, enabling library users to obtain most published and circulating material that is not owned by UIU at no cost to the UIU community. Interlibrary loan services are available to all UIU faculty, staff and students.

Desk, chair and dresser.

STUDENT ACCESSIBILITY SERVICES

STUDENT ACCESSIBILITY SERVICES

Upper Iowa University Student Accessibility Services (UIUSAS) is committed to ensuring equal access to, and full participation in, educational and co-curricular activities to students with disabilities.

The University will make accommodations for only those students who report a disability and provide appropriate documentation. For appropriate accommodations to be made, documentation must be on file with the director of Student Accessibility Services. Documentation is required to establish both the presence of a disability and the need for accommodations. IEP's or Section 504 Plans may or may not be sufficient. If not sufficient, further documentation from external sources, such as an evaluation by a licensed psychologist or doctor may be required. Documentation must support the requested accommodations. It is the student's responsibility to arrange and pay for all needed disability assessments.

THE PROCEDURE TO RECEIVE UIUSAS SERVICES IS AS FOLLOWS:

1. Student provides the appropriate documentation of a disability, an Accommodation application packet: **https://uiu.edu/wp-content/uploads/Student-Accessibility-Services-Application-Packet-1.pdf** (which includes the Voluntary Disclosure form), and a Release and Exchange of Information form to the director.

2. See the Student Accessibility Services Handbook for explanations of documentation. The handbook can be found online at **https://uiu.edu/experience/student-accessibility-services.**

3. A meeting will be held with the student and the Director to discuss the disclosed disability and provided documentation. A virtual or in-person meeting will be scheduled with the director. An interview will be conducted during the meeting. The purpose of the interview is to provide the student with an opportunity to offer further historical information about their disability, the barriers the disability presents, and the student's requested accommodations. A reasonable accommodation plan for the upcoming session will be made during this meeting.

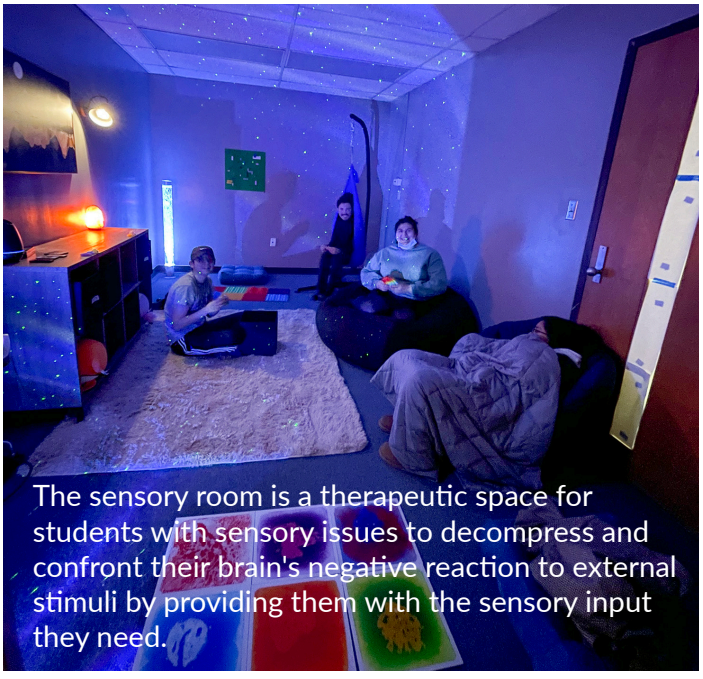
4. Accommodation letters will be sent electronically by the Office of Student Accessibility Services to the student, advisor and professors.

5. The student should bring all concerns regarding accommodations to the attention of the director.

6. A request from the student is required at the beginning of each session, and for each class, in order for Student Accessibility Services to send notifications of accommodations. The student is responsible for requesting accommodations for each session from the director.

Services for students with disabilities are tailored to meet individual needs in order to comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act Amendments Act of 2008.

The director of Student Accessibility Services is located in the Student Life Suite (Second floor of the Student Center) and can be reached by calling 563.425.5949 or emailing accessibility@uiu.edu.



The sensory room is a therapeutic space for students with sensory issues to decompress and confront their brain's negative reaction to external stimuli by providing them with the sensory input they need.

STUDENT ACTIVITIES

Over the next few years many options will be available for you to choose from, both in and out of the classroom. The choices you make will go a long way in determining how successful you become. Above all, the important thing to remember is to diversify and broaden your experiences so that you leave Upper Iowa University a far richer person than when you arrived.

TRANSPORTATION

UIU FREE SHUTTLE SERVICE

UIU provides a free shuttle service to UIU students to and from the Cedar Rapids Airport, Iowa City and Coralville bus stations on specific published dates. Shuttles are scheduled only at the beginning and end of the fall and spring semesters, and for the Thanksgiving break (November) and Spring Break (March). UIU does not offer shuttle service outside of the published dates and times.

Students may view scheduled shuttle trips and signup for the free shuttle service by visiting uiu.edu/shuttle or via the QR codes posted around campus. For planning purposes, reservations are required via the registration form and are accepted until one week prior to the transportation date. UIU's shuttle transportation is available only on the published dates. Please arrive 10 minutes prior to the published time; the shuttle leaves promptly at the published time and must remain on schedule. Students who miss their scheduled shuttle may have the option to utilize the next scheduled shuttle, based on availability. In case of inclement weather, shuttles may be delayed until road conditions improve.

MAIL SERVICE

All Fayette students living on and off Campus are assigned a Campus mailbox. The mailroom is located on the lower level of the Student Center and receives all mail and shipments on behalf of the University. Open hours are posted at the door for pick-up. Please plan accordingly if receiving perishable items. Special memorandums and announcements from University departments are distributed here as well. Students receiving packages will be notified through their UIU email. Your student ID is required to collect your package.

US Postal Service (mail)
Your Full Name (UIU mailbox number)
PO Box 1857
Fayette IA 52142

UPS or FedEx Shipping
Your Full Name (UIU mailbox number)
605 Washington St.
Fayette IA 52142

Your mailbox is designed to provide you with a means of communication with the University and mail service. Please check your mailbox often as you may receive mail that you are not expecting. (Hopefully cookies from home!). If you have questions about mail service or shipping, please visit with the mailroom at **563.425.5319** or **mailroom@uiu.edu**.

ID CARD

For all new students: residents will be issued their ID card upon check-in and commuting students may pick their ID up in Student Life. South Village residents gain entry to their building, as well as their suite and room with their ID card. Students are required to carry their ID card to utilize dining services. This card also allows free entry to all University-sponsored functions, Recreation Center and athletic events. Students are expected to maintain their ID for the remainder of their time at UIU.

"I lost my ID card! What do I do?"

Visit Student Life, located on the Student Center second floor. A fee is imposed for the reissuance of lost, damaged or stolen cards.

STUDENT SUCCESS TIPS

- Visit your classroom the day before classes begin.
- Get organized! Use your student planner to write down all exam dates, due dates, class meetings, practices and study sessions.
- Get involved! Choose one or two organizations to get involved with during the first semester.
- NEVER skip class!
- Spend time with positive, motivated people who share your desire to learn, grow and succeed, and be that type of person yourself.
- Be honest and compassionate.
- Listen carefully.
- Resolve conflicts assertively, responsibly, respectfully and quickly.
- Learn to balance freedom and responsibility. Uphold your obligation to be a good citizen in the UIU community by taking responsibility for your choices and learning as much as you can here.
- Find a routine that works for you. Do not forget to include exercise, study time, social interaction, sleep and other activities that keep you balanced and healthy.
- Ask questions!
