

# GEICO Education Requirements

In order to post for management positions *and* stay in management positions, GEICO educational requirements must be met. The requirements are as follows:

- 1. Have an undergraduate degree or be actively pursuing one**
- 2. Have completed 3 Business Core Courses or actively pursuing completion**

*Actively pursuing means completing at least two classes (six credits) per 12 months. For non-degree associates, who are working on their GEICO core, at least one course must be a core course. The two-course requirement continues until the 8 core classes have been completed.*

## **Required Core Business Courses**

*(Must Complete All 3)*

1. Management Information Systems
2. Finance (CPCU 540 equivalent)
3. Statistics
