* Recommended

*** Recommended General Electives for transfer to UIU. These courses fulfill degree requirements, but not upper level requirements.

All possible courses were listed, but credit was calculated only for the 3 required courses.

^ 65 credits transferred because 3 3-credit courses were counted to satisfy the 8 credit IWCC "General Electives" requirement

Notes:

As of 21 June 2006,

Every effort was made to insure the accuracy and completeness of the above program-to-program articulation at the time it was developed. Upper Iowa University reserves the right to make any corrections, additions or deletions as necessary. Students should use the above articulation as a guide and address any questions to a UIU transfer advisor. The UIU Registrar will approve all transfer credit after reviewing the student's official IWCC transcript.

A minimum of 120 semester credits is required for the BS Degree. Of those credits, a minimum of 36 credits must be upper division credits. Of these, at least 18 must be in the major.

Up to 78 lower division and an additional 12 upper division semester credits from accredited institutions may be applied toward the minimum 120 semester credits required for the BS degree at Upper Iowa University.

A minimum of 30 semester credits total and six credits in the major must be completed at Upper Iowa University.

U P P E R I O W A U N I V E R S I T Y

A minimum 2.00 GPA, both in the major and cumulatively, is required at the time of graduation.

Please refer to Upper Iowa University's Extended University Catalog at <http://www.uiu.edu/catalogs/eu/index.html> for complete details.

Students may take additional courses at IWCC for transfer as long as all UIU BS degree requirements are met. Consult a transfer advisor, using the course to course articulation for course equivalencies. Lower division courses may fulfill required degree courses but will not fulfill UIU's upper division credit requirements.
