*Recommended Choices to transfer to UIU*

**Notes:**

As of 21 June 2006,

*Every effort was made to insure the accuracy and completeness of the above program-to-program articulation at the time it was developed. Upper Iowa University reserves the right to make any corrections, additions or deletions as necessary. Students should use the above articulation as a guide and address any questions to a UIU transfer advisor. The UIU Registrar will approve all transfer credit after reviewing the student's official IWCC transcript.*

A minimum of **120 semester credits** is required for the **BS Degree**. Of those credits, a minimum of **36 credits** must be upper division credits. Of these, at least **18 must be in the major**.

Up to **78 lower division** and an additional **12 upper division semester credits** from accredited institutions may be applied toward the minimum 120 semester credits required for the **BS degree at Upper Iowa University**.

A minimum of **30 semester credits total and six credits in the major** must be completed at **Upper Iowa University**.

A minimum **2.00 GPA, both in the major and cumulatively, is required at the time of graduation.**
Students may take additional courses at IWCC for transfer as long as all UIU BS degree requirements are met. Consult a transfer advisor, using the course to course articulation for course equivalencies. Lower division courses may fulfill required degree courses but will not fulfill UIU’s upper division credit requirements.
