Courses to be taken at Upper Iowa University

~~ NOTES ~~

Available only for students wishing to pursue the Social Work Training Certificate in the State of Wisconsin.

To apply for a social work training certificate, the State of Wisconsin requires students to have grades of C or above in all social work equivalency courses (PSY/SOC 383, PSY 391, PSY 392, PSY 393, and SOC 384) and at least a 2.5 GPA in the major. Students must meet specific standards and demonstrate identified competencies through an assessment process before they will be approved for an internship. This degree plan has been approved by the Wisconsin Department of Safety and Professional Services (DSPS). The social work equivalency courses may also be incorporated into UIU’s Psychology or Criminal Justice majors per DSPS rules. Completion of the major does not guarantee social work certification. For clarification of these and other state requirements, please contact the DSPS.

Students who transfer to UIU with a completed Associate of Arts (AA) or Associate of Science (AS) degree in liberal arts from Milwaukee Area Technical College, will be considered to have fulfilled all lower-division Upper Iowa University general education requirements.

A minimum of 120 semester credits is required for a baccalaureate degree; up to 78 lower-division college semester credits from Milwaukee Area Technical College. A minimum of 30 credits must be upper-division credits for a UIU baccalaureate degree; lower-division transfer work from Milwaukee Area Technical College does not contribute to the upper-division credit requirement at UIU.

This program transfer guide is based on the June 2025 course-to-course articulation (UIU 2024-25 catalog & MATC 2024-25 catalog).
