* Courses with credits in parentheses () are courses which could be completed at Madison College in addition to the courses listed for the program; this would decrease the number of courses to be taken at UIU.

A baccalaureate degree requires the successful completion of a total of 120 semester hours, including transfer credit, and credit for coursework completed at UIU. Of those, a minimum of 30 credits must be upper-division (credits which transfer from Madison College as equivalent to an upper-level UIU course, do not count towards that minimum).

A minimum of 30 credits must be completed at UIU.

Every effort has been made to ensure the accuracy and completeness of this program articulation. The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
