			========
			27 (33) [A]

** In addition to those to be taken for the major, 15 credits of upper division courses are needed.**
** This could be accomplished with courses in the grey-shaded areas **

A baccalaureate degree requires the successful completion of a total of 120 semester hours, including transfer credit, and credit for coursework completed at UIU. Of those, a minimum of 30 credits must be upper-division.

Additional elective credits required at UIU if any or all page 1 bolded courses completed at Madison College.

Note **A** ~~ First number is the total credits taken if all choices indicated **in bold** on page 1 are taken at Madison College while number in parenthesis is maximum possible when other selections are made at Madison College.

Note **B** ~~ UIU highly recommends taking a course as the Madison College elective which will fulfill another UIU Gen Ed requirement.
