POLICY STATEMENT

A student may withdraw or be administratively withdrawn from a course prior to the close of the withdrawal period without academic penalty.

PURPOSE

To define the withdrawal policy, timelines, and procedures so students can make an informed decision based on the definitions and consequences (tuition charges, financial aid, satisfactory academic progress).

DEFINITIONS

Administrative Course Withdrawal (AW): University administration may initiate the removal of a student from an active course according to policies established by the university. A grade of AW is recorded on the transcript and has no effect on a student's grade point average. Administrative Withdrawal credits are considered attempted but not earned for the calculation of percent completion when assessing satisfactory academic progress. Students who administratively withdraw from a course are responsible for tuition and fees based on the Tuition Refund Policy.

Course Withdrawal (W): A course withdrawal occurs when a student initiates removal from an active course after the drop period has closed but prior to the close of the withdrawal period. A course withdrawal has no effect on a student's grade point average. Withdrawn credits are considered attempted but not earned for the calculation of percent completion when assessing satisfactory academic progress. Students who withdraw from a course are responsible for tuition and fees based on the Tuition Refund Policy.

Term: Course enrollment period as defined by the course schedule and can refer to session or semester.

Withdrawal Period: Period of time from the start of a term to the published last date of withdrawal for the course enrollment period.

POLICY IMPLEMENTATION

Course Withdrawal – Student Initiated – “W” grade

Students who wish to withdraw from an active course must complete a course withdrawal form prior to the published last date to withdraw. Informing the instructor of the course is not sufficient. A grade of “W” will be recorded on the transcript for student-initiated withdrawals. The last date to withdraw is based on the length of the enrollment period as follows:

- 8-Week Enrollment Period (Sessions 1-5): last day of the fifth week of the session.
- 6-Week Enrollment Period (Session 6): last day of the fourth week of the session.
- 14-Week Enrollment Period (Summer Semester Long): Wednesday of the ninth week of the semester.

- 16-Week Enrollment Period (Fall and Spring Semester Long): last day of the tenth week of the semester.
- Self-Paced 6-Month Enrollment Period: last day of the enrollment period.
- Other Enrollment Periods: Contact the Registrar's Office.

A student who is called to active duty or deployed as a result of military orders may elect to take withdraw ("W") from the course with the student's transcript annotated by the Registrar that the student was called to active duty or deployment under military orders. For additional information regarding Active Duty, Deployment, and Readmission, please see AA-110, Deployment/Readmission Policy.
