

uiuLearn STUDENT TUTORIAL

GRADES > VIEW GRADEBOOK

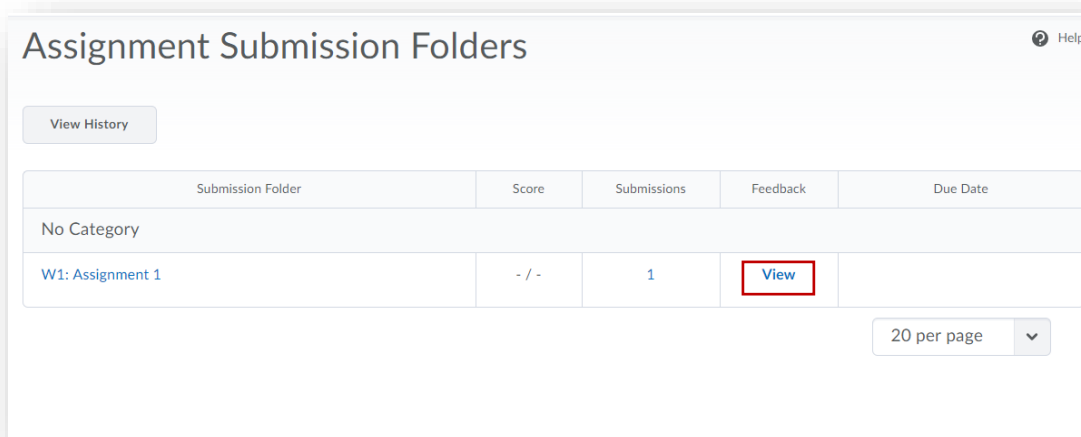

This tutorial covers how to navigate and view the gradebook.

STEP 1> When there is a score and feedback for a recently graded assignment, you will see an update in the 'Updates' widget on the course homepage. Click on the link to view your feedback.

The screenshot shows the uiuLearn course homepage for ART-202-2A-05 Painting (Fayette). The 'Updates' widget is highlighted with a red box, showing 1 unread discussion post and 1 unread feedback item.

STEP 2> If you would like to revisit feedback from other assignments, locate the assignment in the 'Content' tool or 'Assignments' tool and view your feedback there.

The screenshot shows the 'Assignment Submission Folders' page. A table lists submission folders, and the 'View' link for 'W1: Assignment 1' is highlighted with a red box.

Submission Feedback
Fantastic job! Keep up the great work.

[Done](#)

STEP 3> To view your overall feedback and current grade, navigate to the 'Grades' tool in the navigation bar.

STEP 4> Your grade will update throughout the course, as long as your instructor has enabled this option. **If you are not seeing your grade at the top of the screen, please reach out to your instructor!**
