Instructions

You can "Save" your response to each question as you work through the quiz. When you navigate to the Next Page or Previous Page, all your responses on the current page will be automatically saved.

Before you submit the quiz, you will have the opportunity to return to questions that you may have missed or have not yet answered. You can submit your quiz responses at any time.

When you have finished reviewing these instructions, click on "Start Quiz" to begin Attempt 1.

Note: Your quiz may take a few minutes to be set up.

When you are ready to begin the quiz, click the blue 'Start Quiz' button.

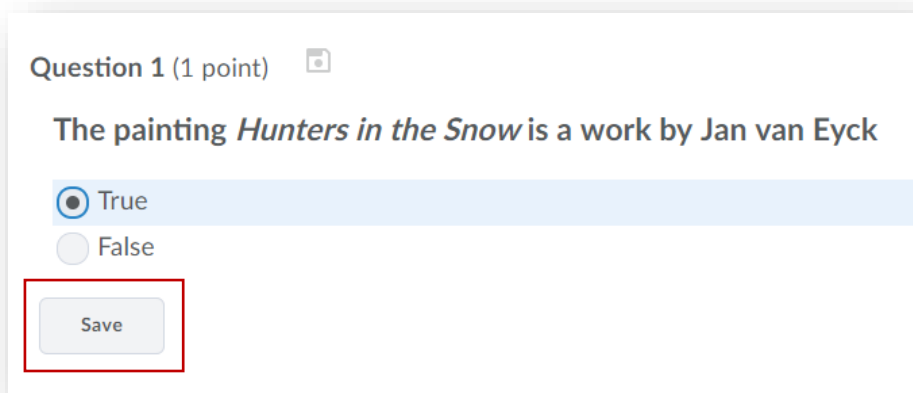

STEP 3> uiuLearn will ask you one more time if you are ready to begin via a confirmation pop-up window. If you are ready to proceed, choose OK. If not, cancel and return later.

STEP 4> Inside the quiz, the following information is available:

- Time Left
- Time Limit
- Number of quiz questions- Hint: use the legend to see which responses are saved or unsaved

STEP 5> You are able (and encouraged!) to save each response as you work by clicking the save button following each question. Or, click the 'Save all Responses' button at the bottom of the page.

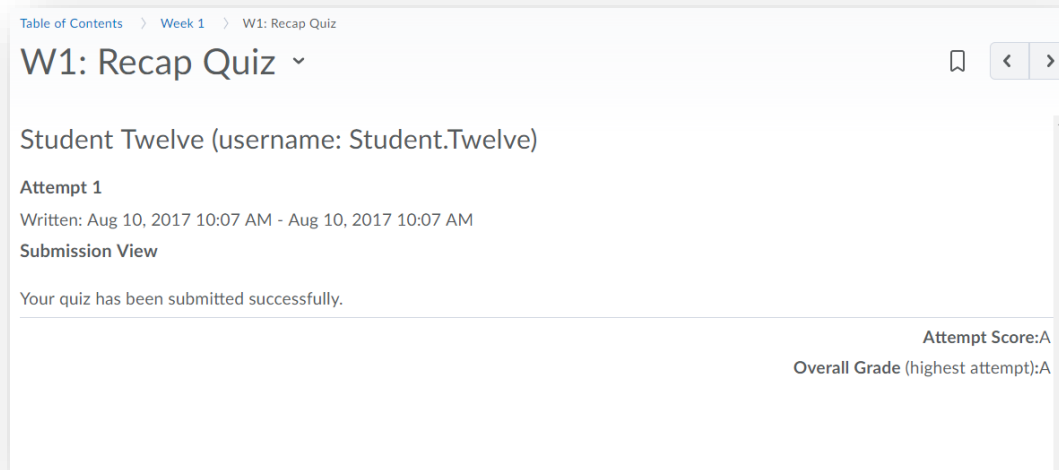

STEP 6> When finished, be sure to Save All Responses one final time. Then, click 'Go to Submit Quiz'.

STEP 7> If you left questions unanswered, uLearn will give you a warning message with a list of each unanswered question. You have the opportunity to go back, answer the question(s), save the response(s), and submit. Or you have the option of proceeding without answering the question(s). Click 'Submit Quiz'.

STEP 8> After submitting the quiz, a pop-up window will appear to confirm you want to submit. Choose 'No, Don't Submit Quiz' to return to the quiz. Otherwise, click 'Yes, Submit Quiz'.

STEP 9> A confirmation page will appear. If the quiz is auto-graded and your instructor has it set up to release your score immediately, the score may also appear on the confirmation page. **If you are not getting this option or any feedback, please contact your instructor and ask them to look at changing the setting.**

STEP 10> Once the quiz is graded, you will receive a notification in the minibar at the top of the page.
