

## HEALTH AND SAFETY PLEDGE

As a member of the Upper Iowa University (UIU) community that values care for one another and our environments, I recognize that I am part of something much bigger than myself. I commit to my personal role in keeping the UIU community healthy and safe.

I understand and acknowledge the following:

- Established protocols and guidelines will be for my own protection and also for the health and safety of those who teach, work, learn, and live in community with me;
- My adherence to these protocols is for the health and safety of all community members. We encourage all Peacocks to hold each other accountable to increase the likelihood that students, faculty and staff will be able to finish the modified fall semester in-person as planned;
- I will conduct a daily temperature check and self-screening assessment to determine any new or unexplained symptoms of possible COVID-19. If I experience symptoms, I will isolate myself and seek medical advice immediately;
- I will follow University protocols to disinfect community spaces that I use in order to make the area safe for the next person.
- I will comply with quarantine and isolation expectations, including cooperation and truthfulness with the Iowa Department of Public Health contact tracing efforts.
- Finally, in order to help prevent the spread of COVID-19, I pledge to engage in the following behaviors:
  - Respect social distancing measures of 6 feet when possible;
  - Wear a mask or other personal face covering when in group settings or when social distancing is not possible;
  - Maintain good personal hygiene habits, which include frequent hand washing, cough etiquette, cleanliness and sanitation, and other Centers for Disease Control recommendations.
- I understand that non-compliance of University expectations, including not wearing proper face coverings or participating in social distancing, will result in disciplinary sanctions through the conduct process.

I commit to follow these safety protocols and guidelines in recognition of my role as a valued member of the UIU community and the vital contribution I can make to the health, safety, and well-being of myself and our entire community.

I have read the Fayette Campus Care Plan and will adhere to the student guidelines.
