Students who transfer to UIU with a completed Associate of Arts or Associate of Science degree with a liberal arts core from Barton Community College, will be considered to have fulfilled all lower-division Upper Iowa University general education requirements. Other transfer courses may be reviewed on a course-by-course basis. Lower division transfer work will not contribute to the upper-division credit requirement at UIU.

A maximum of 78 lower-division semester credits may be transferred from accredited institutions to apply toward the minimum 120 semester credits required for a baccalaureate degree.

These 78 semester credit hours include:

- A. Up to 9 semester credits of activity courses, including transcribed intercollegiate athletics.
- B. No credits from courses identified by Upper Iowa University as remedial or developmental (except for articulated intensive English credits from partner institutions).
- C. No more than 30 semester credits from one-year occupational diploma programs.
