LEGEND:

➢ # Transfer grades lower than a C- will not be accepted.

➢ • Course has a prerequisite.

➢ **Bolded** text indicates UIU recommendations.

➢ Gray background indicates parts of an optional path. If course elective was taken for any highlighted course, the credits amount would count for electives and course requirement but not upper-division requirements.

➢ *Grayed out text* indicates courses fulfilled through transfer. Strikethrough indicates specific course if within grouping.

A minimum of 120 semester credits is required for a Bachelor of Science Degree; up to 78 lower-division college semester credits from Waukesha County Technical College. A minimum of 30 credits must be upper-division credits for a UIU baccalaureate degree; lower-division transfer work from Waukesha County Technical College does not contribute to the upper-division credit requirement at UIU.

This program transfer guide is based on the April 2019 course-to-course articulation (UIU 2018-2019 catalog & WCTC *2018-2019 catalog).*

Every effort has been made to ensure the accuracy and completeness of this program articulation. The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
