Notes:

MSJC courses numbers with a “*” have a corresponding “Honors” course with the same description but a suffix of “H.” For example, there is both an ANTH-102 and an ANTH-102H. Both courses would transfer to the same course at UIU.

Other transfer courses may be reviewed on a course-by-course basis.

Lower division transfer work will not contribute to the upper division credit requirement at UIU.

Upper Iowa University may transfer up to 78 lower division college semester credits from accredited institutions. An additional 12 semester credits at the upper level may be transferred.

These semester credits include:

- A. No more than nine semester credits from Health, Physical Education and Recreation (HPER) activity courses, including transcribed intercollegiate athletics.
- B. No credits from courses identified by Upper Iowa University as at the remedial or developmental level (except for articulated ESL credits from partner institutions).
- C. No more than 30 semester credits from one-year occupational diploma programs.

*Every effort has been made to ensure the accuracy and completeness of the above course to course articulation.
The office of the Registrar of Upper Iowa University reserves the right
to make corrections, additions, and deletions as necessary.*
